

Press Release

ASKA Pharmaceutical Holdings Participates at “1st Femtech Tokyo”

TOKYO, September 30, 2022 - ASKA Pharmaceutical Holdings Co., Ltd. (Head Office: Minato-ku, Tokyo/ President, Representative Director: Takashi Yamaguchi, hereinafter “ASKA”), announced that ASKA will exhibit a booth at the 1st Femtech Tokyo to be held at Tokyo Big Sight from Thursday, October 20 to Saturday, October 22, 2022.

ASKA will introduce the activities of “Health Lab Mint+ for Women’s health” in ASKA Pharmaceutical Co., Ltd. (Head Office: Minato-ku, Tokyo/ President, Representative Director: Sohta Yamaguchi), which is its subsidiary and has been focusing on women’s health for a long time, mainly in the field of obstetrics and gynecology, and the testing technology of ASKA Pharma Medical (Head Office: Fujisawa-shi, Kanagawa/ President, Representative Director: Junichi Saito), which is also developing testing business as a subsidiary of ASKA.

ASKA will continue to support women's health by disseminating correct information related to femtech and women's bodies and health.

- Notes:
1. Femtech Tokyo is expected to attract 200 exhibitors and 20,000 visitors, and will be one of the largest femtech-focused exhibitions in Japan.
 2. Femtech is a term coined by combining the words “female” and “technology”, and refers to products and services that use technology to solve women's health issues.
